

STYLISTIC ANALYSIS OF ARTWORKS - COMPARE AND CONTRAST

| DIFFERENT | | SIMILAR | | DIFFERENT |
|-------------------------------------|---|-------------------------------------|--|-------------------------------------|
| subject matter | Select 2 of the artworks we have studied as a class, and use this chart to compare and contrast them. This means that you are identifying the similarities and differences between the 2 artworks. | subject matter | List similarities between the 2 artworks down the central column. List aspects unique to each artwork down the columns on the left and the right. | subject matter |
