

TASK SHEET 2: Your Wallpaper . . . *'in the style of'* photo collage

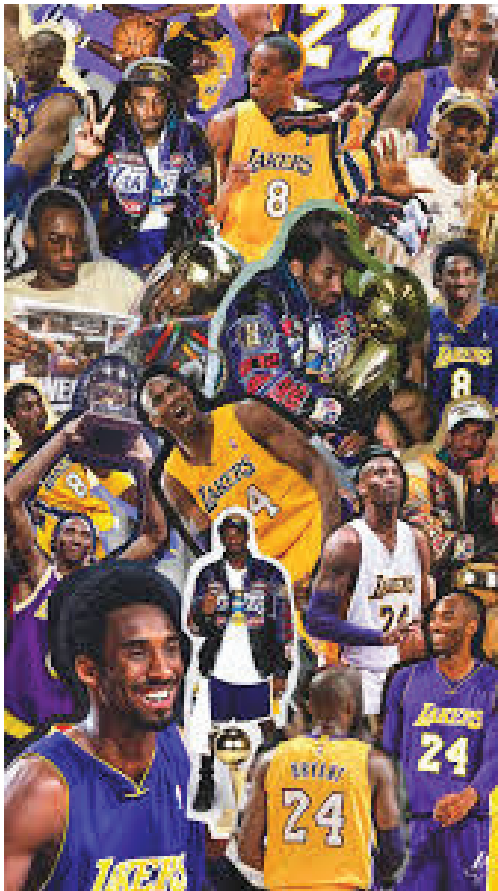

What is a photo collage . . .

A photo collage is a picture made by combining two or more photos. The word 'collage' comes from the French word *coller*, which means 'to stick together'.

YOUR TASK:

Create a Photo Collage WALLPAPER that represents your favourite famous person or team. Search and save images from Google Image Search into your downloads. Upload each image into <https://www.remove.bg/> then copy and paste into an A4 Doc in Photopea. Arrange and order each image. Add 'strokes' to the layers to outline. Add words using the 'T' tool to add their name (see below examples).

Step 1: Search and save at least 20 images that you can use for your collage.
