

Play the SHAPE GAME

Playing the Shape Game is easy!

Find a friend to draw you a shape and then use your imagination to turn it into something recognisable – be it a face, a fried egg, a dinosaur or even a gorilla.

Anthony has drawn this shape to help get you started. He says: *"you can use any materials you like from a basic felt-tip pen to paints, crayons or collage. Turn the paper upside down or sideways, take as much or as little time as you want – simply let your imagination run wild and have fun!"*
